Glow Group of Interest

<https://portal.glowscotland.org.uk/establishments/nationalsite/Additional%20Support%20for%20Learning/default.aspx>

This is the National Additional Support for Learning Page- and you can navigate to related groups from here. You can request to be added to any groups which are of interest to you. The Count Us In group is of particular interest for EAL staff as is the SEALCC group. Staff will need their Glow login to access the site.

Building your Curriculum Groups are also available in Glow

<https://portal.glowscotland.org.uk/establishments/nationalsite/Additional%20Support%20for%20Learning/default.aspx>

Other groups are listed below and can be found in the menu list in the National Glow Group list.

Building The Curriculum 3

ASN Teachers (located in the Enterprise Group)

Glow Help

Glow Potential

National Assessment 3-18

Some additional links which may be of interest

Pupil voice

<http://www.ltscotland.org.uk/curriculumforexcellence/buildingthecurriculum/understandingtheframework/pupilvoice.asp>

Three videos were added to the Curriculum for Excellence website exploring what pupils and students want from their education, including their answers to four questions related to putting 'Building the Curriculum 3' into practice.

Sharing and developing thinking

<http://www.ltscotland.org.uk/curriculumforexcellence/buildingthecurriculum/buildingyourcurriculum/earlyinsights.asp>

As schools review their curriculum structures in the light of 'Building the Curriculum 3', they need to decide what they want their curriculum to look like in the future, what they need to do to achieve this and how they are going to manage that change. This section of the website looks at local authority approaches, school approaches and hypothetical approaches.

School approaches:

These examples are being shared as 'works in progress' which show how some schools are focusing on particular aspects of their curriculum design. Other aspects will need to be looked at as the work progresses and the curriculum plans will change to reflect that.

Taking Building the Curriculum 3 forward – Drummond High School
